4. Subscriber Signatures

Under the share redemption program, stockholders may request redemption of Shares by timely submitting this written notice so that it is received by the Company in good order by 4:00 pm (Eastern time) on the second to last business day of the applicable month. If the Company determines to honor redemption requests, it will redeem Shares as of the last calendar day of the applicable month (the "Redemption Date"). Redemption requests received and processed by the Company's transfer agent will be effected at a redemption price equal to the transaction price on the applicable Redemption Date (subject to any Early Redemption Deduction, if applicable). Although the transaction price will generally be based on the most recently disclosed monthly net asset value ("NAV") per Share, the NAV per Share of such stock as of the Redemption Date may be significantly different.

Stockholders may also withdraw their redemption request by notifying the transfer agent, directly or through the stockholder's financial intermediary, on our toll-free, automated telephone line, 888.310.9352 by 4:00 pm (Eastern time) on the last business day of the applicable month.

If a redemption request is received after 4:00 p.m. (Eastern time) on the second to last business day of the applicable month, the redemption order will be executed, if at all, on the next month's Redemption Date at the transaction price applicable to that month (subject to any Early Redemption Deduction, if applicable), unless such request is withdrawn prior to the redemption. Redemption requests received and processed by the Company's transfer agent on a business day, but after the close of business on that day or on a day that is not a business day, will be deemed received on the next business day.

See the complete description of the share redemption program filed as an exhibit to the Company's Annual Report on Form 10-K, as may be amended and included with subsequent filings with the Securities and Exchange Commission (the "SEC").

Information regarding stockholder redemption requests may be provided by the Company to the stockholder's broker of record.
