I further represent that this loan, when added to all my outstanding loans on qualified plans from the same employer in which I am a participant, does not exceed the lesser of \$50,000, less the highest outstanding loan balance in the past 12 months, or the greater of (a) one-half the Cash Surrender Value or (b) \$10,000. **Contact your Plan Administrator to determine loan availability and required approval.** The Policy or Certificate is assigned to the Company as security for repayment of the loan. The loan balance will continue to bear interest at the same rate until a qualifying event has occurred. If the amount owed to the Company becomes more than the Cash Surrender Value of the Policy or Certificate, the Cash Surrender Value will be treated as a distribution and the policy will be closed out with no future benefits or coverage. Any outstanding loan balance at the time of death will be deducted from the proceeds upon settlement of any claim under this Policy or Certificate. The loan interest rate, required payment, and amortization period are shown on the amortization schedule which will be sent to me. The loan is payable according to the Policy's loan provision.
