

Still believe the old bedtime story that life insurance only provides a death benefit?  
It's time you read,

# The Tale of the Mother Hen

There once was a mama named Grace  
Whose nest was her brood's favorite space.  
Her comfort was knowing  
Generations ongoing  
Could continue to flock in this place.

Planning for the future sometimes means making plans in case you're not around – luckily there's Indexed Universal Life Insurance from National Life. It's permanent life insurance that doesn't limit who can receive the death benefit. You can name anyone as a beneficiary, even a trust, to provide for future generations like Grace did.
