A. Dollar Cost Averaging (DCA) Feature

- Add Change Cancel**

Once each month, the total monthly transfer amount will be transferred from the Fidelity VIP Government Money Market Fund or the Enhanced Fixed Account to the other sub-accounts as indicated below.

Not available with Portfolio Rebalancing. Only one DCA program may be operational at one time (either 1 or 2 below, but **not both**).

1. I elect Dollar Cost Averaging from the **Fidelity VIP Government Money Market Fund**.

Complete Section B.

2. I elect Dollar Cost Averaging from the **Enhanced Fixed Account (EFA)**

a. Number of months _____ (6 or 12 months)

b. Amount to the Enhanced Fixed account: \$ _____

Complete Section B.

** Any value remaining in the EFA will be reallocated based on the current premium allocation in effect at the time of the request.

B. Dollar Cost Averaging Section

Total monthly transfer cannot be less than \$100. If DCA from an EFA, based on the number of months selected above, the total monthly transfer must equal 1/6 or 1/12 of the amount placed in the EFA. Any subsequent payments to be applied to the EFA(s) must be accompanied by a new form.
