FIT Select Income fixed indexed annuity, form series 20375(0418)/ICC-18-20375(0418), is issued by Life Insurance Company of the Southwest. The Guaranteed Lifetime Income Rider (GLIR) incurs an additional cost. Once GLIR is exercised, the Guaranteed Withdrawal Payments will reduce the policy's accumulated value, but you will continue to receive these payments during your lifetime even if your accumulation value declines to zero. This advertising material is used by multiple states, some with varying form number requirements; therefore, all required variations are provided. Not all policies or riders are available in all states.

1. A one-time activation bonus boosts your payments when you are ready to start receiving income. Clients have the choice between a Split Bonus Guaranteed Lifetime Income Rider (offering an immediate 5% premium bonus + an activation bonus) OR a Max Bonus Guaranteed Lifetime Income Rider (offering an activation bonus up to 200%. Both options have a 1% annual charge.
2. Rider charges continue to be deducted regardless of whether interest is credited.
3. Starting in year 2, you can withdraw cash up to 10% annually without penalty.
4. The Guaranteed Lifetime Income Rider (GLIR), as represented in form series 8969, 8970, 20365, 20135, 20136, and/or 20380, is a rider that can be added to an annuity policy at issue and is available on fixed indexed annuities issued by Life Insurance Company of the Southwest. Electing this rider incurs an additional cost and rider charges continue to be deducted regardless of whether interest is credited. GLIR may be optional, and may not be available on all products or in all states. Guaranteed Withdrawal Payments reduce the policy's accumulated value, but you will continue to receive these payments during your lifetime even if your accumulation value declines to zero.

No bank or credit union guarantee | Not a deposit | Not FDIC/NCUA insured | May lose value | Not insured by any federal or state government agency

Guarantees are dependent upon the claims-paying ability of the issuing company
