

Schedule is applicable to all Brokerage Accounts, unless noted otherwise. There are two categories: Brokerage and Advisory. Within Advisory, fees will differ if account managed by the Investment Adviser Representative (IAR) or a Third Party Strategist.

For all Advisory Accounts using NFS brokerage accounts established on or after February 15, 2021, the transaction fees listed below will not be charged, and are included in an Advisory Fee shown on your Statement of Investment Selection. Service Fees, outlined below, will still apply.

Transaction Fees

Brokerage			Advisory	
			IAR Managed	Third Party Strategist Managed
Mutual Fund Purchases, Redemption and Exchange		PIP/SWP		
Mutual Fund w/ Sales Load*	\$ 8.50	\$ 2.00	N/A	N/A

Bond Mark-Up Schedule

Defines maximum value Registered Representative is allowed to enter on an order ticket. All grid cells specified in dollars per bond (\$/bond) and represent maximum markup. Expressed in dollars per \$1000 (1M) face (i.e. Purchase of \$50,000 of a 15 year corporate or muni, maximum allowable mark up is \$875. This is calculated by multiplying the 50 bonds by \$17.50).

Overriding minimum per bond trade is \$40.00.
